Cross Country Update

Now that our summer season has concluded with the State Championships and Stawell Gift last weekend it is now time to head into our Winter Cross Country Season.

As with previous years we will be running our season across various parks and trails on the Peninsula in conjunction with our senior club partners the Mornington Peninsula Athletics Club,

For athletes who were registered with us for our Summer season your membership also covers the winter cross country season. We do charge a \$2 per event entry fee which covers the cost of participation medals and certificates presented at the end of the season and other ancillary costs associated with running the season.

We ask that you arrive at least 30 minutes before the event to register and so that we can explain the course.

If you know of anyone who is not currently registered but wishes to join in, they will be required to register with our club through Little Athletics Victoria. The cost is approx. \$48 for the season which is a Little Athletics Victoria fee to cover insurances.

We expect that Little Athletics Victoria will open the Cross Country registration portal for new members this week. It can be found by clicking this [link](#).
