Maximum Points Trophy:

The winner of the Maximum Points Trophy (with 5522 points) was Tuggeranong with Campbelltown 2nd (5429 points) and 3rd Novocastrian (2900 points). Congratulations!

Average Points Per Swimmer Trophy:

For the Average Point score trophy, Campbelltown backed up last year's 1st place to succeed again with 208.81 points. In 2nd place was Castle Hill (109.88 points) and in 3rd place was Wests Auburn (97.11 points). Congratulations!

Club Participation Award:

For the Club Participation Award, the Castle Hill RSL Club made an amazing effort to achieve a 100% participation rate – all members (24) completed one or more aerobic events. Well done! Campbelltown came 2nd with a participation rate of 88.46% (23/26 swimmers), followed in 3rd place by Wests Auburn with a rate of 62.96% (17/27 swimmers). Congratulations!

Aerobics Submission Process:

Again, difficulties were experienced by half the clubs in respect to the downloading / installation of the aerobics program which necessitated manual entry of these clubs' swim details. The new system is eagerly awaited by all.

What's Next:

The new aerobics program, renamed to "ENDURANCE 1000" took effect from Jan 1 2012. It includes a revised points allocation system. More details regarding this new program are available on the National web page under 'Programs' – Endurance 1000. The new web based program will also be implemented soon & available to clubs around March 2012).

A State Endurance 1000 Web page is also planned when resources are available. Any suggestions for content are welcome: aerobics@mastersswimmingnsw.org.au

Happy endurance swimming.
